Hi everyone! I'm really looking forward to running the baby & toddler sessions. I'm a Level 3 Early Years Teaching Assistant and have a real passion for supporting young children as they learn, play and develop. I actually used to bring my own children along to these sessions at OLV when they were babies, so it feels extra special to now be running them myself! I'm looking forward to getting to know you and your little ones and creating lots of fun, welcoming sessions for everyone to enjoy.

Hi everyone! I am the Early Years Leader / Teacher at OLV. We are very excited to be welcoming families to our baby & toddler sessions and supporting you on your child's journey!

I will be working in the background but will pop in and meet you all. If there is anything that you feel you would like support with, juse send me a message on here and I will do my best to support you!

I will be running the facebook group with updated key messages and sharing your memories together.

I hope you enjoy our sessions!
